

## K-2ND PROGRAM

Sparks® is the Awana® program for children in kindergarten–2nd grade. This program ignites the curiosity of kids to learn about the people and events of the Bible, building a foundation of wisdom for knowing Christ. Lessons include stories, Bible memory verses, and simple discipleship activities.

Designed for 5–8 year olds, Sparks curriculum includes a new age–levelled handbook each year of the program.

## SPARKS MATERIALS

**REGISTRATION FEE:** Per child. Covers program costs, awards, and leader materials.

### UNIFORM VEST

All Sparks must wear their red vest each Wednesday. They earn pilot's wings and jewels for their Bible verses! We suggest sizing up if your child will be in Sparks again next year! If you have a vest from last year, you don't need to purchase again.

**\$15**

### HANDBOOK

All Sparks are required to purchase either the *HangGlider* Handbook (for Kindergarteners) or the *WingRunner* Handbook (for 1st and 2nd graders). Handbooks are used all year to learn Bible lessons and verses at home and at club every Wednesday night.

**\$8**

### SPARKS BAG

We ask that all Sparks purchase the Handbook bag. This bag helps children stay organized and keeps their handbook from being damaged or lost (there's a place to write their name). It is also useful for a Bible, pen, and handouts.
